

SUPPORT STAFF CONTRACTS AND COMPENSATION

Code **GDB** Issued **12/01**

Purpose: To establish the basic structure for support staff contracts and compensation.

Compensation

The board will set the salary of all support staff on the recommendation of the director. The board will set compensation according to the responsibility of the position, the services rendered, the provisions of the center's operational budget and any applicable state and federal laws.

The effective date for all salary changes is July 1.

Contracts

Except under unusual circumstances, the center does not issue contracts to support staff. The center considers such staff to be "at-will" employees under the provisions of South Carolina law.
