

CENTER-COMMUNITY RELATIONS GOALS/PRIORITY OBJECTIVES

Code **KCA** Issued **6/04**

Purpose: To establish the board's vision for center-community relations.

The board will interpret the educational program to the people and invite discussion and suggestion on important educational policies. The board will attempt, at all times, to represent the entire community rather than any single group or section. To this end, the board establishes the following center-community relations goals.

- to develop intelligent citizen understanding of the center in all aspects of its operation
- to determine how the citizenry feels about the center and what it wishes the center to accomplish
- to develop citizen understanding of the need for adequate financial support of a sound educational program
- to help citizens assume a more direct responsibility for the quality of education the center provides
- to earn the good will, respect and confidence of the citizenry in the personnel and services of the center
- to bring about citizen understanding of the need for improvement and what must be done to facilitate essential change
- to involve citizens in the work of the board and the solving of its educational problems
- to invite the assistance, cooperation and understanding of elected and appointed officials and committees in the development of educational programs and facilities
- to promote a genuine spirit of cooperation between the board and community in sharing leadership for the improvement of the community
