

## STUDENT FEES, FINES AND CHARGES

Code **JQ** Issued **9/04**

---

Purpose: To establish the basic structure for the assessment of student fees, fines and charges.

### **Fees**

The board recognizes that it may charge student fees to offset the cost of educational materials and supplies. The center will not deny any student an education because of his/her failure to pay these supplementary charges.

The center will not charge a fee that has not been approved by the director and the board.

The director will work with instructors to formulate the necessary controls and records to assure that all fees are uniform and held to a minimum.

The center will not charge fees to students who receive free lunches and will prorate fees for students who receive reduced-price lunches.

### **Fines and charges**

No student is exempt from charges for books, lockers, materials, supplies and equipment that are lost or damaged.
