

## STUDENT FUND-RAISING ACTIVITIES

Code **JJE** Issued **9/04**

---

Purpose: To establish the basic structure for the conduct of student fund-raising activities.

The center will keep fund-raising campaigns to a minimum so as not to impair the efficiency and effectiveness of the education program. In addition, the center may undertake such campaigns only under the following circumstances.

- No one may solicit monetary contributions from students at any time.
- Fund-raising campaigns sponsored within the center must be in support of specific student activities or projects that will contribute to the improvement of the center's program.
- The director or his/her designee will approve and supervise each campaign.
- Students may not participate in fund-raising activities during school hours without the express approval of the director or his/her designee.
- Students will not solicit personal contributions to meet the basic needs of the center or to finance extracurricular activities.

No student or organization may sell, distribute or advertise services, written materials or items from private sources on center premises or in the center without the permission of the director.

Organizations or students seeking to distribute materials to students unrelated to the center must have the permission of the director.
