

STUDENT INVOLVEMENT IN DECISIONMAKING

Code **JIB** Issued **9/04**

Purpose: To establish the board's vision for students' involvement in the decisions that affect them.

The board recognizes the value of student participation in decisionmaking for the center. The board encourages students to attend board meetings and take part in the public participation periods. Students share with the board, the administration and the faculty the responsibility for developing a climate in the center that is conducive to wholesome learning and living.

The board encourages students to express their opinions in establishing policies in the area of student privileges and other areas of student activities. The board encourages the director to develop procedures for meaningful involvement of students in center government.

In the development of rules, regulations and arrangements for the operation of the center, the director will include at the planning stage, whenever feasible and appropriate, a representative of those students who will be affected by such provisions.
