

STAFF WELFARE/PROTECTION

Code **GBG** Issued **12/01**

Purpose: To establish the basic structure for the defense of center employees in certain legal actions.

The center is obligated by law to defend employees in legal actions resulting from acts done or omitted in good faith in the course of their employment. This requirement applies to civil or criminal actions or special proceedings in the courts of this state or of the United States.

Any employee needing legal assistance in a legal action arising out of his/her employment must submit a request in writing to the director. The director will bring the request to the board's attention to determine whether legal assistance will be provided to the employee appropriate and consistent with the intent of the law.

The S.C. Attorney General has issued an opinion stating that this obligation to defend does not extend to certain actions.

Adopted 11/18/01
