

POLICY IMPLEMENTATION

Code **CH** *Issued* **12/02**

Purpose: To establish both the vision and the basic structure for implementation of board policy.

The director is responsible for carrying out, through administrative rules, the policies established by the board.

The policies developed by the board and the administrative rules developed to implement policy are designed to promote an effective and efficient center system. Consequently, all staff members and students are responsible for adhering to the policies and for abiding by the administrative rules designed to implement them.

Policies developed by the board are guidelines for the operation of the center. The board will consider indiscriminate abuse or violations of the spirit and intent of said policies highly unethical and unprofessional and may review such conduct.

The director will establish procedures for conducting activities within the center that are within the larger framework of administrative rules and board policies.
