

STUDENT ORGANIZATIONS

Code **JJA** Issued **9/04**

Purpose: To establish the basic structure for the conduct of student organizations.

The activities and financial affairs of student body organizations in the center will be conducted in accordance with state law and the policies, rules and regulations of the center.

The board is authorized to regulate, control or prohibit clubs or other such activities on center property or during school hours. The board delegates to the director jurisdiction over all student organizations and activity funds.

Qualifications for membership in student organizations

The center is a democratic institution which requires that membership in clubs and other organizations be based on objective criteria. These criteria must permit all students to compete for membership without prejudice as to race, creed or subjective judgement of their peers.

Any combination of the following may be used as the basis for selecting students for membership.

- scholarship
- citizenship
- grade level
- subject level
- special proficiency evaluated by certificated personnel on the basis of predetermined standards

Under no circumstances is the membership in a center club to be determined by the subjective judgment of students constituting the club.
