

## **BOARD CONSULTANTS/STAFF ASSISTANTS**

*Code* **BDH** *Issued* **11/02**

---

Purpose: To establish the basic structure for the board's need for and relationship with consultants.

The board or the administration may enlist the services of consultants to provide specialized advice or assistance to the center. These services may concern educational, management or administrative matters.

Consultants will have no authority over the work of the employees of the center. They will act only as advisors in the field in which they are qualified to offer assistance.

The board will have final approval of all suggestions made by such consultants.
