

## CENTER GOALS AND OBJECTIVES

Code **ADA** Issued **11/02**

---

Purpose: To establish the board's vision for center goals and objectives and the basic structure for developing a center performance-based accountability system and comprehensive plans with annual updates.

### **Accountability system**

As required by the Education Accountability Act of 1998, the board will ensure the establishment of a center system of performance-based accountability and incorporate it into the center's strategic plan.

The center must involve parents/legal guardians, teachers and the director in the development, annual review and revision of the center accountability system.

The board must review and revise the accountability system annually.

The center will submit its performance-based accountability system to the state department of education for approval in accordance with the law.

### **Comprehensive plan**

The center will develop and implement five-year comprehensive plans to meet the requirements of The Early Childhood Development and Academic Assistance Act of 1993 (Act 135), Section 2 and Section 11. Act 135 establishes two main initiatives to be addressed in the comprehensive plans.

The center will address the innovation initiative in its plan by encouraging research-based innovative approaches to improve student learning and accelerate student performance.

The center will submit a copy of its five-year comprehensive plan to the state department of education for review in accordance with the law.
