

PUBLIC CONCERNS AND COMPLAINTS ABOUT INSTRUCTIONAL RESOURCES

Code **KEC** Issued **6/04**

Purpose: To establish the basic structure for receiving and handling public concerns and complaints about instructional resources.

The board of trustees recognizes its responsibility in the matter of selection and provision of instructional materials. Any parent/legal guardian or citizen may lodge a complaint against any books or instructional materials being used in the center.

The complainant must submit criticism of books or other instructional materials in writing to the director using the "Citizens Request for Review of Educational Materials" form (KEC-E). Committees will review all complaints in accordance with approved administrative rule (KEC-R).

The board directs that any challenged materials remain in the center pending final action upon the complaint. However, the center may observe the request of a parent/legal guardian that his/her own child not be assigned a specific book.

The director will inform the board of all complaints about instructional materials.
