

TUTORING FOR PAY

Code **GCRD** Issued **12/01**

Purpose: To establish the basic structure regarding center staff tutoring students for payment.

A teacher may enter into an agreement with parents for tutoring children for a fee. This practice must be limited to children other than those for whom the teacher is currently exercising teaching, administrative or supervisory responsibility. These restrictions are to assure all students reasonable assistance without charge from their own teachers, as well as to avoid placing a teacher in a position where he/she may have a conflict of interest.

A teacher may not tutor any student for pay during his/her regular working hours or on center premises.

These agreements are between the parents/legal guardians and the teachers and the center assumes no responsibility for monitoring these activities.

Adopted 12/18/01
